EDUCATION

BE(computer science)
Panimalar Engineering College(8.68 CGPA)

08/2017 – Present   *Chennai*

High school
Vetri Vikaas Hr sec school(94.6%)

06/2015 – 04/2017   *salem*

Secondary school
st.Joseph matric Hr sec school(97.6%)

06/2011 – 04/2015   *veppoor*

INDUSTRIAL EXPOSURE

Inplant training
NLC India limited(Corporate office)

06/2019   *Neyveli*

worked as a trainee for a period of 15 days .Learnt about Java Application Interfacing With Native Database Environment.

DLK Tecnologies
chennai

worked as a trainee for a period of 7 days on the topic of Internet of Things.

Barola Technologies
chennai

Hands on experience on Embeded systems.

Industrial visit
Salem Steel Plant,Spring Net technologies

Learnt about overall functioning system of the industry.

Workshops
python programming,Data analytics

SOFT SKILLS

Team worker,optimistic,smart worker,problem solver,leadership,fast learner,good in balancing emotional intelligence,self starter,adaptive.

KEY SKILLS

c   python   HTML   Java   SQL   CSS

PERSONAL PROJECTS

Java Application Interfacing With Native Database Environment

- It is an application programming interface(API) which defines how a client may access a database.It is a java based data access technology used for java database connectivity .It provides a method to query and update data in the database and is oriented towards relational databases.

currently working on Smart Health Monitoring System Mobile Application development

- It is a smart AI which calculates nearly all that we have to take care of health.The system helps in BMI level calculating,diet monitoring,diet suggestions,footstep observing,sleep suggestion ,water alarm.So the client need to simply register into the system by giving his/her personal details and physical attributes and the rest the system takes care with everything.

CERTIFICATIONS

Business English Certification(preliminary)
Cambridge University

NPTEL online courses in programming in C language , DBMS

ACHIEVEMENTS

Got a merit certificate for securing a third place on semester exam

participated in SIH 2020(Smart Irrigation)

Completed level1 Python Programming Contest-2K18 conducted by the Department of CSE

LANGUAGES

Tamil,English,Telugu
Native or Bilingual Proficiency

INTERESTS

coding   AI   IOT   Mobile App development

DBMS
